SEE FOR YOURSELF
Why You Are Sick

We will discover and locate the cause of your illness.
Without asking you a single question regarding your symptoms, we will show you the cause of your trouble by our modern and scientific instruments, including the Genuine X-Ray Fluoroscope Examination of Heart, Lungs, Sinuses, Liver, Gall Bladder, Kidneys, Stomach, Bowels, Rectum, Prostate, Female Organs, Glands, and Nervous System.
We will tell you your trouble, where it is, and will tell you what to do.

THIS WEEK—
In addition to our regular X-Ray FLUOROSCOPIC Examination, we will give you, without extra cost, an Oscillotonometer Heart Examination. This examination alone is worth many times our charges. This instrument records the blood pressure as well as the condition of each valve and heart muscle.

Remember, This Week We Will Give All of the Above for Only $1.00
(BRING MORNING SAMPLE OF URINE)
